

## Fire safety policy

### Policy Statement

We ensure our premises present no risk of fire by ensuring the highest possible standard of fire precautions. Where necessary we seek the advice of a competent person, such as our Fire Officer, or Fire Safety Consultant.

### Fire Safety

1. Fire doors are clearly marked, never obstructed and easily opened from inside.
2. Smoke detectors/alarms and fire fighting appliances conform to BSEN standards, are fitted in appropriate high risk areas of the building and are checked as specified by the manufacturer.
3. Our emergency evacuation procedures are approved by the Fire Safety Officer and are:
  1. clearly displayed in the premises;
  2. explained to new members of staff, volunteers and parents; and
  3. practised regularly at least once every six weeks.

Records are kept of fire drills and the servicing of fire safety equipment
