A gift in November is a gift forever

Endow Manitoba campaign encourages support of local community foundations

The Carberry and Area Community Foundation is participating in Endow Manitoba, an annual, province-wide campaign that encourages Manitobans to contribute to their local community foundation during the month of November.

"Community foundations are a great way to support your hometown today, tomorrow and forever," says Hazel McMillan, Chairperson of the Carberry and Area Community Foundation. "We want to make sure everyone knows about our foundation and how it works. Endow Manitoba helps us get the word out, and encourages people from all walks of life to support us however they

are able."

Donations to a community foundation are pooled and permanently invested. The income earned on these investments is distributed each year to support local charitable projects in a wide variety of areas, including: health, education, recreation, heritage, community service, environment and arts and culture.

Canada's community foundation movement was born in Manitoba in 1921 with the establishment of The Winnipeg Foundation. Ninety years later, our province is home to 48 community foundations, nearly one third of the national total.

Endow Manitoba is a public information campaign

to raise awareness of, and build support for, Manitoba community foundations. For more information, or to make a secure, online gift to a community foundation near you, visit:

www.endowmanitoba.ca.

To help celebrate Endow Manitoba, the CACF is planning a fall grant ceremony, donor appreciation night and YiP fundraiser on November 29th, 2011 at the Carberry Collegiate from 7:00 PM to 9:00 PM. We hope you will join us!
