Donna Korpiniski Mentorship Award

Presented by ASLIA

The Donna Korpiniski Mentorship Award, presented by the Association of Sign Language Interpreters of Alberta (ASLIA), was established in 2008 to honour the memory of Donna Korpiniski who was a remarkable interpreter, educator, life-long learner, mentor, and leader. Donna Korpiniski was a valued member of the interpreting and Deaf communities in Alberta. She began her 20-year interpreting career by taking the Interpreter Training Program at MacEwan University (formerly known as Grant MacEwan Community College). Donna was a rising star of her class and after graduation, became loved and respected by both the Deaf and interpreter communities as an exceptional interpreter. While serving as the ACRID (now ASLIA) President and beginning her career as an instructor at MacEwan University's former interpreter training program, she earned her AVLIC certification. As an instructor, she left her positive mark on many interpreters, who now work across the country. Despite her talent and reputation, Donna remained humble, constantly questioning, growing, and learning about her work as an interpreter; she was the ultimate professional. She provided support to her colleagues, and mentored many interpreter graduates as they began their careers. Donna was visible in the Deaf community, attending and supporting every event possible that fit into her busy life. She consistently modeled the importance of pursuing personal and professional development and how that kind of dedication contributes to the interpreter and Deaf communities. This award is named in Donna's honour because of her many and varied contributions to the profession of interpreting, at both the provincial and national level.

Objective

The Mentorship Award is presented to an individual who demonstrates outstanding dedication and support to members of the interpreter community. This person is someone who has contributed to the growth of the profession, by educating oneself and others about the field of interpreting, and by leading, mentoring, and supporting interpreters.

The name of the recipient is kept in confidence until the announcement at the ASLIA Award Ceremony. In the event a decision cannot be made by the Selection Committee (due to an inadequate number of applicants or all applicants failing to meet selection criteria), the award will not be given out for that particular year.
