

# Trina Bryant

Trina Bryant is a lifetime resident of Hampton Roads. She is a highly motivated accountant and business development professional with over 20 years of experience within multiple industries. Trina received her Associates Degree from Bryant & Stratton and after raising her family attended Strayer University to work towards degree completion. Core competencies include, accounting and finance management, organizational and staff management, business development, compliance, and marketing-advertising. While the corporate environment provided years of career satisfaction, there was a strong need to fulfill another level of purpose and giving. Trina is looking forward to making a difference with Alternatives and with the youth in our community. To anchor, Trina enjoys birding, kayaking, reading, writing, photography, long walks, and travel.
