

KICK - Session by Session

A Service-Learning Curriculum for Upper Elementary

Session Number	Session Title (1 hour)	Session Objective This session helps youth:
1	Opening Your Heart to Service	To realize that all actions-big or small- and all people- young or old- can make a difference
2	Knowing Your Community	To reflect on what they like and what could be better in and around their community
3	Identifying Your Problem	To identify a problem they would like to create into a KICK project
4	Figuring Out Your Problem	To identify the many causes of a problem and select the one that concerns them most
5	Selecting Your Project	To select a KICK project
6	Planning Your Project	To organize their KICK project using an action plan tool
7	Completing Your Action Plan	To monitor the progress of the action plan
8	Implementing Your Project	To implement the KICK project
9	Evaluating Your Project	To reflect on their experience and to evaluate their KICK project
10	Celebrating Your Work	To celebrate their KICK project with family members and other guests
