

STRICTLY EQUINE. THE HEALTHY DECISION.

Fat Maxx

Weight and Hair Coat Supplement containing Flax Seed Meal, Dicalcium Phosphorous, Vegetable Oil, Salt, Calcium, Manganese Sulfate, Biotin, Niacin, Folic Acid, Vitamin B12 and more.
Protein 20.0%, Crude Fat 25.0%, Crude Fiber 6.17%

Strictly Equine Fat Maxx is an excellent top dressing for any feed program to fill in the nutritional gaps.

Fat Maxx contains the essential fatty acids Omega 6 and Omega 3, all fat soluble vitamins, A, D, E and K, the essential amino acid lysine, chelated minerals including Zinc, Copper and Calcium, improving bone and connective tissue health, electrolytes to combat losses from hard training and sweat, B complex vitamins, critical for central nervous function and proper digestion and energy utilization, plus blood building nutrients, B12 and folic acid.

With the addition of soy and flax seeds, Fat Maxx is an excellent source of the essential fatty acids, Omega 6, and Omega 3 in a balanced ratio. By adding Fat Maxx to feed, less grain is required which is beneficial for those hard to keepers, and horses requiring low starch diet.

Strictly Equine Fat Maxx is a convenient, cost-effective supplement that will not only result in a glossy hair coat, but overall health, digestion, energy utilization, immunity, growth, tissue repair, and maintenance will all benefit.

Feeding Instructions: Top Dress on grain 4-8 scoops per day (1 scoop is approximately 27 grams)
