Dear Friends and Members,

We would like to thank all of the people that attended the Ashtabula County Builders Association Reverse Raffle. Because of your generosity we were able to raise \$9,640.00 for the Builders Association and the Community Care Committee of Andover. We would also like to thank all of the people and companies that donated either their time or gave a door prize because these are the things that make our reverse raffle successful. Please take note of the list of people/companies that donated toward this special event and, if you can, patronize their businesses. Again, Thank You!

On June 9th we will be holding our annual Steak Fry at the Elks Club. The Board of Directors for the Builders are cooking for this event, as they do every year, and we look forward to serving all that attend. This is probably one of the best meetings to bring guests to as it is a relaxing evening full of networking, connecting with other business people in the area. Please make your reservation as soon as possible so we can prepare for your attendance.

I have been a long time member and board member of the Builders Association and I often wonder why I am so involved. Recently, I have lost friends to some pretty ugly diseases and it makes me reflect on that time spent? Every day I look at the newspaper and I read about what people have done in their lives and the legacy that they have left behind. I have always been impressed by the people that have distinctive accomplishments behind their names. I guess the point that I am getting at is that we should strive to make good impressions on those around us by our words and deeds. My advice to those reading this is not to put off what should be done today until tomorrow as there may not be a tomorrow, spend quality time with friends and family close to you and make a difference for the causes that you have a passion for. That is how we will be remembered well.

Sincerely,

Bill Romanko
