Hello Everyone! Many thanks to Drew Thomas and his crew for another fantastic buffet at our annual clam bake. The food was excellent as always. Well, it looks as if summer is at the close and fall is beginning with the colors starting to change in the trees. I hope business will continue to pick up for our members in this fall season.

Our October meeting is fast approaching we will be having our candidates night. I believe this will be very informational for all. I look forward to seeing our members there along with any guests.

I would like to remind everyone that November is our annual meeting and that all members should attend. You will be given an overview of how our association is doing as well as taking care of any business that needs to be addressed. Mr. Todd Nagy from the Building Department will be our guest speaker.

As always your association is here to assist you in anyway possible.

Thanks,

Michelle
