

# POWER SHIELD

## EQUINE FLY SPRAY

A long lasting, non-oily residual insecticide and repellent that contains 0.33% pyrethrin, 0.77% piperonyl butoxide and 0.5% permethrin and features the natural properties of citronella, aloe vera and lanolin oil.

### MULTIPLE SPECIES

To kill ticks and to repel and kill horn flies, house flies, mosquitoes, horse flies, deer flies (tabanids) and stable flies.

### LONG LASTING PROTECTION

Repels multiple species for 3 to 5 days using only 1 spray application on the first day, sufficiently coating the hair.
