## Hymns lyrics

### Stand Up, Stand Up for Jesus

Stand up, stand up for Jesus, ye soldiers of the cross; Lift high his royal banner, it must not suffer loss: from victory unto victory his army shall he lead, till every foe is vanquished and Christ is Lord indeed.

Stand up, stand up for Jesus, stand in his strength alone; the arm of flesh will fail you, ye dare not trust your own: Put on the gospel armor, each piece put on with prayer; where duty calls, or danger, be never wanting there.

Stand up, stand up for Jesus, the strife will not be long; this day the noise of battle, the next the victor's song: to him that overcometh a crown of life shall be; he with the King of Glory shall reign eternally.

### When I Survey the Wondrous Cross

When I survey the wondrous cross, on which the Prince of Glory died, my richest gain I count but loss, and pour contempt on all my pride.

Forbid it Lord, that I should boast, save in the death of Christ my God; all the vain things that charm me most, I sacrifice them to his blood.

See, from his head, his hands, his feet, sorrow and love flow mingled down; did e'er such love and sorrow meet, or thorns compose so rich a crown?

Were the whole realm of nature mine, that were a present far too small; love so amazing, so divine, demands my soul, my life, my all.

### The Summons (Will You Come and Follow Me)

Will you come and follow me if I but call your name? Will you go where you don't know and never be the same? Will you let my love be shown; will you let my name be known; will you let my life be grown in you and in me?

Will you leave yourself behind if I but call your name? Will you care for druel and kind and never be the same? Will you risk the hostile stare should your life attract or scare? Will you let me answer prayer in you and you in me?

Will you let the blinded see if I but call your name? Will you set the prisoners free and never be the same? Will you kiss the leper clean, and do such as this unseen, and admit to what I mean in you and you in me?

Will you love the 'you' you hide if I but call your name? Will you quell the fear inside and never be the same? Will you use the faith you've found to reshape the world around, through my sight and touch and sound in you and you in me?

Lord, your summons echoes true when you but call my name. Let me turn and follow you and never be the same. In your company I'll go where your love and footsteps show. Thus I'll move and live and grow in you and you in me.
