Is VBS important?

Among Americans who say they attended VBS as a child, 89 percent say that it positively influenced their spiritual growth.

More than two-thirds of American parents say they would encourage their child to attend VBS at a church they don't attend, if personally invited by a friend.

VBS energizes the local church for gospel ministry. When that energy is contagious, it begins to spill out of the church doors and into the community. VBS creates energy in the local church because at the center of all the fun and craziness is the truth of God's Word.

VBS shows the body of Christ in action, it is a TOTAL church endeavor.

Welcome

At Utica Church of Christ we believe a great commitment to the great commandment and the great commission will grow a great church.

All are welcome here because none of us have it all together. We must continue to grow in grace and truth to better resemble Jesus. Though we are sinners, God loves us and sent His Son to prove it. We don't achieve his approval, rather we connect and receive it through a relationship with Him that changes us for the better and forever.

New Here?

We are so glad that you have chosen to join us today!

We invite you to fill out a Connection Card located in the pew back or at the Welcome Center and place it in the offering receptacle as you depart. As our guest, you are under no obligation to place money in the offering receptacle.

For Parents and Caregivers of Kids:

Adults can sign their children in (infant-5th grades) at the entrance of the **Kid's Connection** area located in the Fellowship Hall for nursery, primary, & elementary aged Jr. Worship. An unstaffed infant care room is available, located just off the north foyer, for parents to care for the needs of their infants.
