Naoki is studying English at a language school in Boston. He likes English, but now he wants to learn another skill, too. Since Naoki has always been interested in motorcycles, he signed up for an evening class in motorcycle maintenance at the local community center. Naoki hopes to buy a motorcycle one day, and he wants to be able to take care of it. His first class is next week.

1. What is Naoki going to do next week?

2. Where is Naoki studying English? _____

3. What is Naoki interested in? _____

4. Where are the motorcycle maintenance classes? _____
