Education

When Victoria started college, she rented her own apartment. At first, she found living away from home difficult. She didn't know how to cook, and she felt lonely sometimes. Victoria gradually got used to living by herself. She learned how to cook some simple meals and made some friends at college. Now, Victoria is enjoying life in college.

1. What was Victoria's problem when she started college?

2. When did Victoria rent her own apartment?

3. Did Victoria get used to living alone?

4. Is Victoria having fun at college?
