A New Shop

Brad is a high school student. He loves doughnuts. He wants to eat them for breakfast every day, but his mother always says, “No, Brad. You have to eat other food, too.” She usually cooks eggs and toast for him in the morning. Sometimes on Sunday mornings, she buys him a doughnut.

This week, a new doughnut shop opened in Brad’s town. On Saturday, Brad and his friend Carlos went there to get doughnuts. When they arrived, there was a long line of about 50 people. They had to wait for one hour. When they got their doughnuts, it was 1:00. They didn’t have lunch and were very hungry, so they bought 10.

They ate all the doughnuts very fast and then went home. That afternoon, Brad felt sick. His mother said, “You need to go to sleep.” For dinner, she made some soup and salad for him.
