## My Family Reunion

It's the beginning of summer and it is time for our annual family reunion. I like when our family gets together. We always have the reunion at my parent's house. They have a big house and yard near the beach.

I have three older brothers, two younger brothers and no sisters. They all have children, so I have a lot of nieces and nephews. Some of my family lives out of the state so they have to come back for the reunion. My cousins come from New York, Dallas, Chicago, Los Angeles and Miami.

I always make eight chocolate cakes and six apple pies. Other family members bring turkey, fish, chicken, crab legs, corn on the cob, potato salad and a lot of vegetables. There is always a lot of food for the barbeque.

Everyone usually starts arriving around 2:00pm. It's always nice to see the three generations get together. Some family members play softball or basketball. Some family members just sit around the table talking and laughing. Later, everyone goes to the beach to play in the water. Everyone starts cleaning up when it gets dark and then everyone starts going home around 10:00pm.

Circle the correct answers below:

1. When is the family reunion?

a. end of summer

c. beginning of summer

b. beginning of spring

d. end of spring

2. Where is the family reunion?

a. at the beach
