Eric: Diana, the architect wants to know what material to use for the outside walls of our new house.

Diana: I really like brick, Eric, but it's so expensive.

Eric: Well, I heard there's a new kind of brick that's made from recycled materials. It's cheaper than regular brick.

Diana: Let's take a look at that. I hope it comes in different colors.

Question: What does Diana want to do?

1. What does the architect want to know?

2. What kind of material does Diana like?

3. What is the new brick made of?

4. Is the new brick more expensive than regular brick?
