Education

Mother: Bobby's school is planning a fishing trip, and they want some parents to go along and help.

Do you think you could?

Father: When is it? If it's on a weekend, I'd be happy to.

Mother: Actually, it starts on Friday, June 27. Can't you take a day off from work?

Father: I'm not sure. I'll have to check my schedule.

1. What does the woman ask her husband to do?

2. What is Bobby's school planning?

3. When does the fishing trip begin?

4. What does the father want to do first?

5. Can the father take a day off from work?
