Man: Excuse me. I'd like to buy some fish for a barbeque. Can you suggest something?

Employee: How about salmon? It tastes great when grilled, and our salmon is especially fresh today.

Man: OK, I'll try some. Also, can you tell me how to prevent the fish from sticking to the grill?

Employee: Try wrapping it in some aluminum foil.

1. What is one thing the man wants to do?

2. Why is he buying fish?

3. What kind of fish does the employee recommend?

4. How will they cook the fish?

5. How can you prevent the fish from sticking?
