## Role Play

Lisa: William, my lunch meeting with my boss was canceled today, so I'm free for lunch. Do you want to go out together?

William: Sure, Lisa. Where do you want to go?

Lisa: How about trying that new Mexican restaurant on Blue Hill Avenue? One of my clients said the food is really good.

William: Great. Let's leave around noon.

1. Was Lisa's lunch meeting canceled?

2. Where are they going to go for lunch?

3. Who said the food was good at the restaurant?

4. What time will they leave?
