Dear Parents,

This is Pete Quince, the coach of your son's hockey team. Every year, our team holds a number of special events to raise money. We use this money to buy sports equipment, to pay for membership to the Junior Hockey Association, and to travel to our hockey games. We are currently looking for parents to volunteer at these events. At practice last week, I gave each player a sign-up sheet for our next event, which will be held in November.

This event will be a t-shirt sale. We'll be holding the T-shirt sale at the Oberton Park picnic area. We've put out an advertisement for the event in the local newspaper. The boys are designing T-shirts that will show our team's lion mascot. Shirts - n - Stuff, a local company, has agreed to print the shirts for a special discounted price.

At the event, we'll need parents to help us set up tables for the sale, as well as receive payments. If you're interested in volunteering or not, please fill out the sign-up sheet that your son brought home. When you've filled it out, ask your son to bring it to practice sometime this week. The deadline is Friday. If you have any questions, please e-mail me or give me a call.

Sincerely,

Pete Quince

Oberton Lions Coach
