Store Clerk: The total will be \$25.30, please. How would you like to pay?

Kelly: Oh, that's more expensive than I thought. Is that the amount before or after my store card discount?

Store Clerk: After. You received 10% off your purchase. Here it is printed on your receipt.

Kelly: Oh I see. I guess that dress was a bit expensive. I'd like to pay by credit card if that's OK.
