Store Manager: **As you know**, the suppliers are still **refusing** to **increase** our discount. I've been **researching** the market online and I think we can get the **raw materials** we need cheaper elsewhere.

Assistant Manager: That'd be great. We need to **reduce costs** to the level of our **competitors** if we're going to **survive**.

Store Manager: Exactly! I'd like us to buy from eastern Europe **from now on**. Jennifer in Operations **confirmed** my research. She said we could **save up to** 32% that way.
