Man: What's wrong, Cindy? You look worried.

Woman: I need to e-mail these files to the design engineer over at Durant Picker Corporation by 5:00 pm. and my computer isn't working.

Man: Don't worry. It's only 3:00pm now. You still have two hours left. I'm sure the repair shop will be able to repair it soon. Just to be sure, though, why don't you send the files over from my computer?

Woman: Oh yes, I haven't thought of that. Thanks, Jerry.
