Financial Policy for Foot and Ankle Specialists of Maryland, LLC

Thank you for choosing our office to provide you with medical care. We are committed to serving you with skill and high quality care. The medical services provided by our office are services you have elected to receive which may imply a financial responsibility on your part.

INSURANCE: We participate in most insurance plans. If you are not insured by a plan we participate with, payment in full is expected at each visit. If you are insured by a plan we participate with but do not have an up to date insurance card, payment in full for each visit is required until we can verify your coverage. Knowing your insurance benefits is your responsibility. Please contact your insurance company with any questions you may have regarding your coverage.

MEDICARE: We are a participating Medicare provider. Medicare as well as your secondary insurance (if any) will be billed for you. However, that does not mean that all services are covered. Patients are responsible for paying their annual deductible if it has not yet been met. You are also responsible for any copayments, which are usually 20% of the allowed amount for an item.

SECONDARY INSURANCE: Your medical claim will be forwarded to your secondary insurance (if any) after payment and/or explanation of benefits (EOB) is received from your primary insurance company.

COPAYMENTS AND DEDUCTIBLES: Copayments may either be paid in the office at time of service or processed out through our billing agency and you will receive a statement at a later date.

SELF PAY: Payment in full is due at the time of service if you do not have health insurance or your visit is not covered by Medicare or other insurance.

NON-COVERED SERVICES: Please be aware that some of the services that you may receive may not be covered or not considered reasonable or necessary by Medicare or other insurers. You are responsible for payment of these services.

REFERRALS/AUTHORIZATIONS: We are required to follow the guidelines of your managed care plan, which may mandate that when you visit a specialist such as us, you have a referral from your primary care physician prior to seeking specialty care. Therefore, if a referral is required, you are financially responsible for the services received, unless your referral is presented at the time of the visit. If you do not have a referral from your primary care physician at the time of the visit, you will be financially responsible for all services received due in full upon completion of the visit. It is not the responsibility of our office to obtain referrals for patients.

CLAIM SUBMISSIONS: As a courtesy service to you, we will submit your insurance claims for services rendered in our office and assist you in any way we reasonably can to help you get your claims paid. Your insurance company may need you to supply certain information directly. It is your responsibility to comply with their request. Please be aware that the balance of your claim is your responsibility, whether or not your insurance company pays your claim. Your insurance benefit is a contract between you and your insurance company.

PATIENT BILLING: You will be sent up to three notices for your financial responsibility (co-insurance, deductible) after payment and/or Explanation of Benefits (EOB) is received from your insurance company/companies. After the third and last notice, your account may be forwarded to a Collections Agency. Past due accounts are subject to collection fees, attorney fees, and court fees. These will become your responsibility in addition to balance due to our office. Please let the billing office know if you have any difficulties resolving your bill. Payment arrangements can be made on a case by case basis. We accept the following payment methods: Cash, Check, Visa/MasterCard/Discover/American Express. An additional \$35.00 will be added to your statement if the check is returned for insufficient funds. In the event that your insurance company should happen to send payment to you, the patient, we expect that you forward it to our office to be applied to your balance, otherwise you will be billed and responsible for the balance.

PRIVACY STATEMENT: Any information disclosed in your records will remain confidential and will not be used for any other reason except in providing quality care and treatment as well as to submit your claim to your insurance company and contact you as needed.

ASSIGNMENT OF BENEFITS: I, the undersigned, certify that I (or my dependent) have coverage with my insurance as presented and assign directly to Foot and Ankle Specialists of Maryland, LLC all insurance benefits, payable to me for services rendered. I understand that I am responsible for payment of deductibles, copayments, and/or non-covered services. I hereby authorize the doctor to release all information necessary to secure payment of benefits. I authorize Release of Medical Information to my insurance carrier, or requested physician to provide continuity of care. I authorize the use of this signature on all insurance submissions.

I have read the above policy regarding my <u>financial responsibility</u> to Foot and Ankle Specialists of Maryland, LLC for medical services provided. I agree to pay Foot and Ankle Specialists of Maryland, LLC any balance unpaid by my insurance carrier for myself or the below named person. I understand that it is my responsibility to inform the doctor's office if there is a change in my health insurance information and/or contact information and acknowledge that I was provided with a copy of the Notice of Privacy Practices and understand and accept its terms.

Appointment Policy for Foot and Ankle Specialists of Maryland, LLC

Dr. Liebow and the staff at Foot and Ankle Specialists of Maryland are committed to providing high quality care, both efficiently and with compassion.

A doctor/patient relationship is built on mutual trust and respect. As such, we strive to be on time for your scheduled appointments, and ask that you give us the courtesy of a call when you are unable to keep an appointment.

Due to an increasing number of patients being consistently late, canceling with little notice, or not showing up to their scheduled appointments we have been forced to implement a new policy that will involve a fee that is <u>not</u> covered by insurance and will be <u>your</u> financial responsibility.

In order to be respectful of the medical needs of other patients, please be courteous and call Foot and Ankle Specialists of Maryland promptly if you are unable to attend an appointment. This time will be reallocated to someone who is in urgent need of treatment. If it is necessary to cancel your scheduled appointment, we require that you call <u>at least 24 hours</u> in advance, and calling early in the day is appreciated. Appointments are in high demand, and your early cancellation will give another person the possibility to have access to timely medical care.

Reminder Phone Calls

It is your responsibility to know when your appointment is. You are given an appointment card for your visit. Due to Dr. Liebow's practice continually growing, courtesy reminder calls are not made by the office. We apologize if this causes any inconveniences for you.

Definitions:

Missed Appointment/ "No Show": A missed appointment or "no show" is when you fail to show up for an appointment without a phone call, cancel without at least 24-hour notice or you are 15 minutes or later to your appointment. (If you arrive 15 minutes or later, your appointment will be rescheduled and you will not be seen.)

As of October 1, 2012, the new policies are as follows.

- 1. 1st Missed Appointment: You will be charged a missed appointment fee of \$25.00.
- 2. 2nd Missed Appointment: You will be charged a missed appointment fee of \$25.00.
- 3. 3rd Missed Appointment: You will be charged a missed appointment fee of \$25.00. This may result in a discharge from the practice.

Let's work together to provide you with the best possible care you deserve.
