My child took swimming lessons at SEBCO this season or last session. He/She achieved level \_\_\_\_\_.

My child has not taken swimming lessons at SEBCO Pool.

Please estimate your child's current skills and abilities by choosing one of these descriptions:

**LEVEL 1** - Child hasn't had any swimming lessons or doesn't exhibit the skills on the next line.

**LEVEL 2** - Child opens eyes under water, submerges mouth & nose, floats on back, glides on front & enters and exits the water independently.

**LEVEL 3** - Child exhibits all the skills above as well as: goes under water, treads water, can front float & rollover to a back float and can push off and swims using a combination of arm and leg actions for 15 feet on both front and back. Child needs stroke development.

**LEVEL 4** - Child exhibits skills above and can jump into deep water & return to the side, swim front crawl for 15 yards with face in the water, tread water for 30 seconds, and dive in from kneeling position, needs stroke improvement.

**LEVEL 5** - Child exhibits all the skills above and can swim front crawl for 25 yards, float on back for one minute, swim elementary backstroke and the breaststroke for 15 yards.
