About Smithville and the Village Greene

The Historic Towne of Smithville dates from 1767. Since its restoration in 1952, Historic Smithville has captured the imagination of millions who have enjoyed a bit of yesterday combined with amenities of today. The cobblestone path passes rustic shops offering a variety of wares and food.

In more recent times, numerous antique buildings from throughout southern New Jersey were collected and restored to create The Village Greene. In these quaint, former homes and stores, are a variety of merchants and amusements. All are easily accessible from the wooden and brick walkways.

There's no limit to the enjoyment everyone can have at this unique attraction. It's under a stand of ancient trees surrounding beautiful Lake Messe where decks and gaze help create a mellow atmosphere prompting lots of strolling.

The many shops feature books and distinctive gifts... brass, crystal, bronze and pewter... jewelry, clothing and crafts... gemstone, decar and artwork...and much more. To tempt the taste buds, there's the bakery, sandwich and ice cream shoppes... and stores stocked with candy plus other confections. Serving more substantial fare, choose from several outstanding restaurants with local to international menus. Purely for fun there is a carousel, chess-chaos train and paddle boats. The Towne of Historic Smithville and the Village Greene: Perfect Partners in the Jersey Pinaclands for fun and frolic.
