# *sensory friendly* **CAR SHOW**

In a joint collaboration, Legacy Empowerment Services, Saddle Brook Angels, and Saddle Brook Recreation are coming together for a second year to host a community centered and sensory friendly car show.

We ask vehicle owners to register for the event and share in the joy of the car lover community in a sensory friendly environment for children and adults of all abilities.

We ask registered vehicle owners to be mindful of the guidelines set in place to remain sensory friendly.

A suggested donation of \$20 would go towards Saddle Brook Angels. There will also be a collection of non-perishable items for the food pantry. We thank you for your generosity to attend and donate! Follow the link for event details and guidelines or to register now.

All vehicles are welcome. We hope to see you there!
