Sunday Morning Hangout Agreement

I'm coming to Superior Automotive on Sunday mornings to relax, talk cars, drink some coffee, and enjoy a good vibe with the community.

I get that things can happen — a door ding, bad weather, someone tripping, or even theft. By being here, I'm taking responsibility for myself and my car.

I won't hold Superior Automotive, its owners, employees, or anyone connected to the shop responsible for anything that might happen while I'm on the property. That means no claims, no complaints, no legal stuff — we're all just here to enjoy the morning. Whatever comes up — other cars, weather, or anything else — my car and my safety are on me.

By signing below, I'm saying I've read this and I'm cool with it.
