

PRAISE AND WORSHIP TEAM ANNUAL ACCOMPLISHMENT REPORT SY 2024-2025

Praise God for another fruitful year in Lord Immanuel Institute Foundation Inc. It has been amazing to see how God has been working in both music and technical worship sessions in school. We have chosen a few key highlights which give some insight into what we have been doing this year.

Our primary goal this year has been the development of the worship songs and reach out to students and teachers. Every month we have met together to study, eat, pray and encourage each other. We are blessed to have a team whose always ready and willing to work for one another. Throughout the year we covered key topics about Kingdom Education and Experiencing God through devotional book. We all found great value in drilling into the essentials of our faith in Christ. With the help of our Chairman, Dr. Elizabeth Yoo and School Principal, Mrs. Jackielou T. Ramos, we prepared songs in Hymnals and relate to worship leading.

A particular highlight of this year were Devotion and Chapel Day. Before classes begin, students have the opportunity to engage in a devotion. This time of reflection is crucial as it helps them start their day with a calm mind and a heart focused on God, setting a positive tone for their studies. Devotion nurtures spiritual growth and encourages reliance on God's wisdom, which can guide them in making sound decisions and persevering through academic challenges. It also fosters discipline and focus, qualities that are essential for effective learning and achieving their goals. By connecting with God daily, students gain inner peace and strength, enabling them to approach their studies with confidence and a sense of purpose, knowing that they are working for His glory.

Once a month, students gather to celebrate Chapel Day, a special time dedicated to spiritual growth and fellowship. Each advisory class takes turns organizing the program, fostering teamwork and creativity among the students. The event typically includes vibrant praise and worship, an inspiring exhortation from a teacher or student, and engaging games that bring everyone together. Chapel Day provides an opportunity for students to deepen their faith, build stronger connections with their peers, and take a break from the usual academic routine. It serves as a reminder of the school's commitment to nurturing not just academic excellence but also the spiritual and social well-being of every student.

Apart from our daily responsibilities of leading worship in devotion, we have also had the opportunity to pray and teach throughout the year. What a privilege and honor to serve God in Thursday prayer meetings in this way! We have grown and developed and learnt from our mistakes as we did our job throughout the year.

As part of the Praise and Worship Team, we can say that this year is truly rewarding, filled with anticipation for the chance to serve, and we're so excited to continue spreading God's love even more in the future. What a privilege that God invites us to partner with Him in what He is doing in Lord Immanuel Institute Foundation Inc.
