2.5-Year-Old Program

Greenwich Nursery School News

Happy New Year! I hope this year brings joy to all. We have lots in store this month. We will have a few science experiments to learn about arctic animals and how they survive in freezing cold weather. We have some great projects coming up as well as some of my personal favorite books. I can't wait to learn with you!

I look forward to speaking with each of you at conferences on the 25th. Each student is doing so well and is such a pleasure to have in class. I can't wait to tell you all sorts of good things about your child.

Daily Reminders

- Please have your child use the bathroom and wash their hands each day before school.
- A new year may mean new growth! You might want to double-check that the spare clothing we have at school is the correct size and that we have all that we might need for any accident.

Snack

- Please remember to pack a small, healthy snack and drink for your child each day. Snack bags should be labeled.
- ***Please be advised that we are a nut-free school, so we kindly ask that you do not pack any peanut or tree nut products. Thank you!***

Happy Learning!
Mrs. Mariani & Mrs. Hearn
