March 2024

2.5-Year-Old Mon/Wed Program

Greenwich Nursery School News

March will be a fun month. We start off by celebrating Read Across America week by reading Dr. Seuss books and making crafts to go with his books. These are always lots of fun. We have 2 festive times this month: St. Patricks Day and Easter. We will do all sorts of fun things for them. In between, we will talk about and even *craft* with rain since coming soon are those April showers that bring May flowers!

On that note, we will likely be outside daily at this point. If the real-feel is 40 degrees or warmer, you can expect to pick up your child from the playground. Just remember to have your phone on you to scan the QR code. Also, dress your child in shoes and clothing that work well for running and playing at the playground.

Our new dramatic play center is a grocery store. We have 2 new sensory bins. One has all sorts of rainbow-building opportunities. The other has red and white pool noodles and cups to practice building patterns in Dr. Seuss colors. I can't wait to learn and play with you!

Daily Reminders

- Please have your child use the bathroom and wash hands each day before school.
- All supplies can fit in the cubbies in the classroom. This makes it easiest to get the students ready to go outside when we don't have to exit the room. Please pull your child's snack/water out of their bags and place in the front of the cubby so we can just grab and pass out quickly instead of digging through backpacks.
- We are a nut-free school.
- If you haven't already done so, please make sure that the clothing/shoes are appropriate for the season. You all dropped off winter clothes to keep here in case of an accident or mess. You might want to add some short sleeves at this point.

Happy Learning!
Mrs. Mariani & Mrs. Butler
