## **2.5-year-old MW Program**

### **Greenwich Nursery School News**

As you know, we are reading and playing with fairy tales this month. At the very end, we will enjoy some summer themes.

I look forward to Family Day on **May 8<sup>th</sup>**. We will have chick crafts and snacks and then play with baby chicks on the floor. (Wear old clothes, haha.) We will meet upstairs in Memorial Hall at 10:15 and dismiss from there when we are all done. Each student may bring up to 2 adults. Siblings are welcome.

Our last dramatic play center for the year is a puppet theater. It should go nicely with our fairytale theme. Students can have fun but also practice storytelling and demonstrating their budding reading/listening comprehension.

I can't express how proud I am of each student. The growth from the beginning of the year has been amazing to watch and I feel so honored to have been able to watch it first-hand. I will meet with each of you to tell you some more details and specific examples of this growth and development at our spring conferences. Both classes will be held **on Thursday, May 23<sup>rd</sup>**. This group will still have their regularly scheduled class on Monday and Wednesday, which will be nice because we lost a day due to the power outage. We have toys and staff in the hallway to play with your child/children while you meet with us. You may certainly bring them along. Look for a sign-up coming through Brightwheel soon.

Daily Reminders:

- You are all doing a great job at having your snack in the front of your cubby and packing healthy, nut-free snacks. Keep up the great work. It helps a lot.
- I think everyone has spring/summer clothing here in case of accidents. If not, you may want to switch out old winter clothes or smaller clothes.

Happy Learning!  
Mrs. Mariani & Mrs. Butler
