Join us as we come together to identify and STOP revenue loss!

MISSION STATEMENT

The mission of the NCSCRPC is to develop and support an ongoing effort to combat revenue loss thereby reducing the unfair financial burden placed on the honest customers. Due to continuing increases in technology and reductions in manpower, an effective Revenue Protection Council is necessary to prevent loss of revenue and equipment through these advancements. The sharing of information and findings will potentially reduce losses for all participating members from would-be utility thieves.

THANK YOU TO OUR 2025 VENDORS & SPONSORS
