

## Hydra Lift ADA 450

**BUY: \$3,995**

Delivered (+sales tax)

**LEASE: \$210** p/mth. (36-months)

### Low Cost of Operation

Our pool lift system uses Hydra Power so there are no pumps to buy, no electric usage and no batteries to replace or recharge. How much does it cost to replace a pump, or a battery? Our system provides savings starting the very first day.

### Reviews:

To Whom it May Concern,  
It is my pleasure to write this letter of recommendation for KenMark Lift Systems, LLC and their lift that was installed in my hotel's swimming pool a few months ago. In this time, our guests have continually given their praise for the system and the ease of use and safety features the lift has provided our special needs guests and friends.

Thank you,  
DJ Kitts, General Manager
