Robert's Ramblin's

I see it happening already! The first subtle signs of an awakening: in the lumps in the soil, the first crocus, the softening buds on little bushes, and grass roots changing color. Birds are acting differently, beginning to find nesting material, and raccoons and opossums are thinking about birthing another generation of critters. I am reminded of another change that took place the weekend of Jesus' crucifixion, burial and resurrection. They thought they had eliminated Jesus, but the power in God's plan for mankind was overpowering. There was a stirring, an awakening, a force with which to be reckoned as Jesus won victory over death and the grave. The same power of the risen Lord is available to each of us believers and to our churches. Let us stir our hearts, quicken our spirits, and bring the church forth from laziness to liveliness in His power!

Revival can happen!

Let us Adjust Our Values by Finding Value in Jesus. The world continues to change its values by normalizing sin. If we're not careful we will find ourselves following the world instead of the Lord. My prayer is that we will start thinking about what is really important in life. Solomon observed that most people are motivated to success by the envy of their neighbors. It has been said, "We buy things we don't want, with money we don't have, just to impress people we don't even like." So, somewhere along the way we have to say, "Enough is enough." We have to be realistic, rational, and logical about this. Jesus said, "But how do you benefit if you gain the whole world but lose your own soul in the process?" What good is it to get that job, raise, or promotion only to lose our family, or neglect God in the process? We pray for a job, a raise, or a promotion only to get what we ask, and then find ourselves too busy or tired to come to church and worship God...too busy to spend quality time with our families. Another problem we have is we often confuse our work with our worth. We think that what we do is the same thing as who we are. We wrap our identity and worth around what we do. These, however, are two separate things. Our identity should be in Jesus Christ alone and should have nothing to do with our career. Rather, it has everything to do with who God has created us to be. I've been to a few bedsides of those who are dying, but not once have I heard them say, "I wish I had spent more time at work." Instead, what I hear is how they wish they had spent more time with their family and getting to know God better. So while there is time, let us spend more time in fellowship with God, more time with our families, and more time nourishing our hearts to be better Christians.

Remembering the M & M Banquet:
 There are many things about the M & M Banquet most of you do not know. While the evening of March 29 was a successful event, I want everyone to know some of the behind-the-scenes activities that took place Ruth and I spent several hours updating and preparing for the night emphasizing our mission and ministry endeavors. And I know Mike and Mary Ross, Jim Ross, Mike Hoos and Cheri Heeren spent time planning, preparing and serving the wonderful meal long before they arrived at the church to set up. Lisa and David spent time before the evening preparing tables, chairs and sound and video equipment so we could have good presentations. Each and every organization that used booth space had to prepare all the materials they needed for display before they arrived at the meeting. Every speaker and musician prepared for their part on the program by prayer and organizing what they would present. Many other unseen bits of love and labor goes into one night of bringing people from our churches together to celebrate the great work of spreading the Good News. Thank you for attending and supporting the M & M Banquet this year! We counted a total of 59 present. HBA churches and members, keep up the good and Godly mandate to tell the world about our Savior!

 The Members of Bethany Baptist Church proudly invite you to join us as we celebrate the Installation of our new pastor, Pastor Travis Battershell. Bethlehem: Happy spring from Bethlehem Baptist Church. Last month we had one baby dedication. It was Pastor Jason's granddaughter, Sawyer. What a blessing. We will be having an Easter egg hunt on April 16th, from 3-5pm. Ages walking to 17 are welcome. Hot dogs, chips and drinks will be provided. Fun and fellowship for all.

Broadway: We are not missing the cold and snow. People responded well to the One-call reminder about the time change. We resumed our Adult Evening Bible Study with 1 new member on March 6. The Spring Fellowship Meal on March 20 was well-attended. Ron brought chicken lasagna and traditional meat lasagna. Members brought "yummy" side dishes and desserts: fruit, applesauce cake, sweet breads, cheesecake, and ice cream. Pastor Gray's sermons in April will include sermons on the letters to the Thessalonians. At the same time, the adult Sunday School will begin a study of those two books.

Calvary: Hurray, Spring has sprung! What a beautiful time of year. Our Men's Ministry has started a new Bible Study with Tony Evans. Our Women's Ministry is planning a Ladies Tea on April 30th. With tears and smiles we are saying goodbye to our music minister, Michael Sproles. Michael will be joining "Abundance Quartet". We wish him the best as he starts this chapter of his life. We are looking for a parttime music minister and pianist. Our youth group and leaders will be attending Young Christian's Weekend at Silver Dollar City in April. Mission Trips planned for June and July. Looking forward to blessing others as God blesses us.
