*Hope to see everyone at the club meeting,  
tonight, Tuesday, November 3*

*Brooks Tree Farm  
(Dave and Kathy LeCompte's home.)  
Look for the sign and the American Flag*

*9785 Portland Road NE, Brooks, OR*

Arrive 6:15–7pm for the social and meeting at 7pm. Bring your cruiser chair, dinner if you like, but nothing to share(sorry.) We'll have cookies for everyone. We'll meet inside Dave's shop. Even though the weather wasn't too bad at the October 6th meeting, it was so dark sitting outside we couldn't see each other. It sill was a fun meeting though....

At the September and October meetings took nominations for our 2021 officers. It looks like all of the 2020 officers said they would be willing to hold the same positions next year. We'll hold our elections tonight plus you should have received the By-Laws to vote on tonight as well.

# HALLOWEEN 2020

A big thank you to Don and Donelle Flammang for hosting the Harvest/Halloween Party again this year. Lots of good food, good friends and a good time!!!!

Once again we will be helping make the holidays brighter for the families in the FBB program. When I contacted the Director of Business Partnerships, Julie Hilty she was thrilled that we will be continuing our partnership with them again this holiday season. Below is Julie's response.

*"Attached are our 2020 wishes for our friends at WVSR. And I have BIG news – This fall, FBB will be expanding to serve 218 more families in your community, a nearly 40% increase, totaling 774 families in Marion and Polk counties! This includes new annual funding through Healthy Families and funding through Oregon Pre-kindergarten (OPK). This means we're increasing the number of children that will be in our program during the holidays by over 200! We need the help of the Willamette Valley Street Rods more than ever this year. 200 more children means 900 more gifts than last year. We would not be able to fulfill these wishes without the partnership of the Willamette Valley Street Rods. Thank you, Willamette Valley Street Rods, for your loyal and consistent giving. We are so very grateful! Vicki, let me know if you need anything else. Yay! Thank you. I love that we're working together again this year."*

With festive *cheer* during our favorite time of year,

–Julie C. Hilty,  
Director of Business Partnerships  
Family Building Blocks

\*\*\* The kids won't be in the classroom when we go to deliver the toys but we'd still like to do our usual caravan from the Big Lots parking lot. We'll meet Wednesday, December 2, 11am and drive to the FBB to deliver our gifts, then lunch afterwards.

Please reach out to me if you have any questions, or want me to pick up donations from you. [Vicki](mailto:Vicki@503.910.5952) 503.910.5952. As always, I'm happy to shop for you if that's easier.

### Wish List for Family Building Blocks 2020

Veteran-Troop Support

One of the charities that we support, Honoring Heroes has a new project they're working on. They're assisting a new Salem Veterans Center that hopes to open their doors later this year. They're calling it "*Tanner Project*." The facility will house both male and female veterans. They're looking for donations of paperback books, hardcover novels and DVD's. These items will supply their day /entertainment room and for use in their individual rooms. If

you can donate these items we can provide you a tax receipt. If you're local to the Salem-Sublimity area you can either contact them for pickup, deliver, or mail.

If you're able to make a cash donation they'll purchase personal hygiene products, clothing and bedding for the residents as well.

Please contact Mark Buchholz at 503.871. 2198 or email [honoringheroesinc@gmail.com](mailto:honoringheroesinc@gmail.com) with questions, or for a pickup.

I've decided to sell my 1949 Studebaker Champion Starlight Coupe. It still looks like this picture. The body is very solid, has decent paint, good chrome, excellent running engine, working overdrive, partial redone interior, nice seats. It has electronic ignition, alternator, turn signals, 12 volts and older radial tires. Otherwise stock. I drove it to Oregon City for the Orphan Car Show and to the Chicken Run a couple years ago. It is not a show car it's still kind of a running driving project

car. It is registered on a 1949 Oregon plate and has a clean title. \$6500. John Stanton. 503-767-3476. [hqtrqd34@yahoo.com](mailto:hqtrqd34@yahoo.com)
