

WILLAMETTE VALLEY STREET RODS

Cruiz'n News October 2021

Message From the President

I would personally like to thank all of the club members that worked on our car show this year. Planning for the show starts months in advance, actually almost a year in advance. Garry did an amazing job of chairing the show again this year. Sharon Munz, again pulled through getting sponsors so we could afford to put the show on. Next year we're looking for more help from club members getting sponsors to take some of the burden off of Sharon. We'll have a chair of the Sponsor committee and committee members to help get the sponsors. Don Flammang worked tirelessly on getting vendors, Glen Rader and his crew marked off the field for parking, and that's not an easy process lining up where all of the attendees will park. It's a huge task getting raffle and silent auction prizes and Judy Herschbach, Donelle Flammang and their team pulled it off.

We were able to set up the day before, which helped make things run very smooth Saturday morning. The club bought pizza for the members that showed up to work on Friday. There were so many club members there on Friday at the set up and on Saturday to work. Thank you again to all of the members that take their membership to heart in the club and were there to make the show the success that it was.

[Cruising to Powerland Video](#)

Thank you to everyone that contributed to the two videos, Bob Repine, Dale Moreau, Garry Pullen, Lisa Stine, and to Russ for putting the video of all of the pics together. More pics below of club members helping set up the day before and some of the day of the show.

If you were at the last club meeting you saw Stephanie Brazofsky showing off her beautiful pin striped shoes that were striped at our show at Powerland by our pin striping vendor. I asked her to wear them to the meeting, and being the good sport she is, she did. Russ asked Tim to get on one knee and had Stephanie let us all see a close up of her shoes. *Tim and Stephanie, thanks for being such good sports.....*

Can you help Sharon Munz out with this request?

I'm looking for a few people to help deliver the plaques to our car show sponsors. We will have about 8 stops. I would like to do this on Thursday or Friday, the 7th or 8th. Anyone who would like to do this please let me know at the meeting. We will meet at the first stop. I will have a list at the meeting of where we

need to go. If you're not attending this Tuesday, but would like to help deliver plaques, please call or text my cell, 503.884.2638.

WVSR 2022 Car Show
2021 Cruising to Powerland Show, Chair

Wait, What? Yes, I know we just finished our show and we've barely gotten time to breathe, however, we need a few people to come together and talk about sponsors. This is the time of year most businesses are planning for 2022 and we always seem to be behind the curve in this area. A zoom invite will be sent out for anyone who wishes to attend on Oct. 13 at 7pm. This will be a brainstorming session so start thinking as we'll consider and discuss all ideas brought to the table.

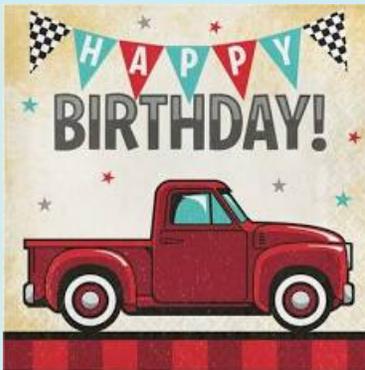

Thanks
Garry

Options for paying your 2022 club dues.....

Message from Garry Pullen, WVSR Webmaster

Hello WVSR members,

Just a heads up that we will be emailing invoices for

membership dues the first part of October for your convenience. We know some of you like to get it done early while others wait till the last minute and either way is fine as long as they are in by January 1st. Dues are \$25.00 for the 2022 calendar year, however the invoice includes a \$1.00 processing fee for online payment. Once you have your invoice you can choose to pay via three options:

1. Pay your dues in person at a club meeting for \$25.00
2. Mail a \$25.00 check to P.O. Box 4091 Salem, OR 97302
3. Pay \$26.00 electronically, the invoice is sent via PayPal, however you do not need a paypal account to make a payment.
4. If you have already paid your dues just ignore the invoice. You'll be removed from the reminder list as updates come in.
- 5.. If you don't get an invoice, check your spam folder, and if you accidentally delete it, or just never get one, a link on our website will become available on the 'Club Info' page to pay \$26.00 online.

Ron Sowerby, Membership Chair, for the past few years has done such an incredible job of keeping the membership roster up to date, collecting dues at meetings, bank deposits, providing the officers with a financial report each month and last but not least working on the yearly budget for the club. Thank you Ron for all of that....

**We want to welcome our newest club members.
We're looking forward to getting to know you...Hope to see you at a meeting soon.**

**Christmas Party – Dec. 11th, 6pm in the Founders Room
Roth's Fresh Market in West Salem**

Bring a wrapped Gift for the Gift Exchange (Recommend at least \$15.00). We will be doing the Ornament Contest. Make a Christmas ornament out of a car part or something you would find in a car, truck or tractor. There will be a prize for the most original. Put on your thinking caps and get busy.....

The menu will be about the same as last year (including GREEN BEANS)!. Don't have prices yet but it will be at least the same as last year.

I am planning on some other fun things to do so you won't want to miss the Christmas Party. If anyone wants to help me with the Christmas Party I will like you

for ever!

We joined the Northwest Vintage Car and Motorcycle Museum this year so we could hold our car show there and become better acquainted with the museum and what they had to offer at Powerland. As a member of the Museum we're entitled to have a representative at their meeting each month. We're lucky that Alan Eyman stepped up and said he would represent our club at the meetings. Alan's first assignment (hopefully he won't have many more, for his sake) was to submit an article to their newsletter. Below is the article that Alan submitted to the newsletter on behalf of WWSR. Thank you Alan for being such a good team player!!!!

Willamette Valley Street Rods joined the Museum this year and kicked off 2021 with their signature Carousel Cruise (Cruising to Powerland) on September 4th. The effort was well coordinated by an army of well organized volunteers that broke the Museum record for most classics attending..

We were very pleased with the turn out of 250 classic vehicles and many spectators during these COVID times. Most of the money collected from the show is donated to [Family Building Blocks](#), [Honoring Heroes](#) and [Camp Attitude](#). Donations are also made to [Marion Polk Food Share](#) and [Toys for Joy](#) at Christmas Time.

[Willamette Valley Street Rods](#) was established in 1970, with eighteen members that are referred to as "Founding Fathers." We are a family oriented automotive club based in Salem Oregon hosting an annual fundraising event that supports our community outreach projects ([COP's](#)) supporting local non-profits with time, money, and other donations. Our mission is to promote an interest in automobiles, sustain the history of street rodding, and advance a positive image of the hobby through club activities, socialization, and charitable contributions to the community. Originally dedicated to pre-1949 street rods, we now welcome owners of all makes, models, and years who have a desire to join others in sharing their knowledge and passion. Along with many beautiful street rods our members rides include both domestic and import cars and trucks from mild to wild!

Winter Vehicle Storage Program
Oct 15th 2021 – April 15th 2022

Dear Friends,

Do you have the age old problem most collectors have; not enough space for all your cars and motorcycles? Do you need space this winter to work on that special project? Are you hesitating to buy that collector vehicle because of lack of space? Do you wish to take your vehicle off the road in winter weather to protect it?

Well, the Northwest Vintage Car & Motorcycle Museum has your solution for all these problems. We offer secure, dry, and heated storage for one or more of your special vehicles. Free up needed shop or garage space for the winter!

At \$475 per car, and \$100 per motorcycle, from October 15th through April 15th, you will not find a better storage deal for your special vehicle.

Remember this is secure, dry, heated storage that insures the best and safest storage outcome. Plus you will be making an important contribution to the museum as well. The income from the Winter Storage Program helps to pay our operating costs.

Contact Tom Ruttan at (503) 621-8943 or tgruttan@gmail.com for more info and to make a reservation!
