### Message From the President

*Our next general club meeting is (Tuesday, December 7) at Pietro's Pizza at 7pm. Arrive as early as 6pm for dinner and socializing.*

#### *President's Message December 2021*

With Christmas season approaching I would like to wish all of our WWSR family a very Happy Holiday Season. I am very fortunate to have a great family and friends who supports and helps each other out no matter the situation. There are so many in our community who don't have that support system. That's why it's so important that we as a club and individually continue to help the organizations that are out there helping the less fortunate. The money our club donates to charities helps them out throughout the year. I would encourage each and every one of you to bring a toy or clothing for a young child to our next club meeting Tuesday, December 7<sup>th</sup> that will be delivered to Family Building Blocks by our club Thursday, December 9, if you haven't already brought something. Let's put a smile on their face and help the children have a Merry Christmas.

See Vicki's information in this newsletter for details on what items are needed most.

**Hope to see all of you at our club Christmas Party!**

This is the last issue of the club newsletter I'll be doing. I've done it for 3 1/2 years and it's time to pass it on to someone else. Thank you to everyone that has contributed pictures and articles to me over the years, I appreciated it so much. Kandi Schuff has volunteered to be the Newsletter Editor. Please send anything you have for the club newsletter to her at [kandischuff@gmail.com](mailto:kandischuff@gmail.com)

You'll still receive emails from me as the club Communication Director when something needs to be sent out to club members. [Vicki Champ](mailto:Vicki.Champ), 503.910.5952.

Thank you to the "many" that have already paid their 2022 dues, over half of the club members have already paid their 2022 dues. Please be considerate of the club treasurer's time and pay your dues before January 1, 2022. It only takes a couple of minutes to take care of it, but it turns into a lot of unneeded work for the treasurer if you're late paying your dues....We will add a late fee if not paid by January 31, 2022.

## Options for paying your 2022 club dues.....

Message from Garry Pullen, WVSR Webmaster

*Hello WVSR members,*

2022 invoices for membership dues were emailed out the first part of October. We know some of you like to get it done early while others wait till the last minute and either way is fine **as long as they are in by January 1st.** Dues are \$25.00 for the 2022 calendar year, however the invoice includes a \$1.00 processing fee for online payment. Once you have your invoice you can choose to pay via three options:

1. Pay your dues in person at a club meeting for \$25.00
2. Mail a \$25.00 check to P.O. Box 4091 Salem, OR 97302
3. Pay \$26.00 electronically, the invoice is sent via PayPal, however you do not need a paypal account to make a payment.
4. If you have already paid your dues just ignore the invoice. You'll be removed from the

reminder list as updates come in.

5.. If you don't get an invoice, check your spam folder, and if you accidentally delete it, or just never get one, a link on our website will become available on the 'Club Info' page to pay \$26.00 online.

We only have one more meeting to bring your donations for Family Building Blocks. Please bring your gifts to the meeting tonight. Cash or gift cards work well if you don't want to shop. We'll do the shopping for you.....

We will deliver the club donations, toys and gift cards to the Lancaster location Thursday, December 9, 11am. We'll meet in the Big Lot's parking lot on Lancaster Drive and caravan to the other end of the parking lot to deliver everything. After we drop off our donations at Family Building Blocks we'll drive together to have lunch at Garabaldi's Mexican Restaurant(the old Sizzler) at 1151 Lancaster Dr. NE, Salem. Hope you can join us! If you have any questions please contact Vicki Champ at 503.910.5952, call, text or [email](#).

A big thank you to all of the club members that drove to the Stayton FD–Santa Cruise last Saturday. It was so heartwarming to see all of you there. We all miss the wonderful breakfast that the firemen put together, but we wanted to make the best of the situation and hoped that the car community would pull through and help with donations and toys, and you did.....So many of you brought toys, cash and checks for the Toys for Joy program. Other clubs in the valley showed up with trunk loads of toys as well, cash and checks from their club. We had one hundred eighty cars drive through the station and we collected hundreds of toys and \$1,800 in cash and checks.

Carson Brazofsky, 13, Junior club member, son of the Brazofsky's was so excited to get this pickup, which is a 64 Chevy C10 Fleetside longbed. He couldn't wait to have it towed to Salem so he could start working on it. Dave Cartwright, being the nice guy that he is offered to tow it to his house and let Carson work on it in his

***Winter Vehicle Storage Program***  
**Oct 15th 2021 – April 15th 2022**

Dear Friends,

Do you have the age old problem most collectors have; not enough space for all your cars and motorcycles? Do you need space this winter to work on that special project? Are you hesitating to buy that collector vehicle because of lack of space? Do you wish to take your vehicle off the road in winter weather to protect it?

Well, the Northwest Vintage Car & Motorcycle Museum has your solution for all these problems. We offer secure, dry, and heated storage for one or more of your special vehicles. Free up needed shop or garage space for the winter!

At \$475 per car, and \$100 per motorcycle, from October 15th through April 15th, you will not find a better storage deal for your special vehicle.

Remember this is secure, dry, heated storage that insures the best and safest storage outcome. Plus you will be making an important contribution to the museum as well. The income from the Winter Storage Program helps to pay our operating costs.
