Presidents Message

Happy New Year to our WVSR family!

January Agenda
Printable

As we look back on 2021, I am very happy with how our club pulled through tough times with Covid and produced a very successful car show at our new location at the Northwest Vintage Car and Motorcycle Museum in Brooks. Our mission is to continue to serve our community by helping the less fortunate through the proceeds of our annual car show. We also need to continue to support and promote our great car hobby by encouraging those that are new to this and help others by sharing ideas and answering those related questions. We all have our favorite car makes and models, but we should make a New Year's Resolution to accept and respect all styles and visit their shows and invite them to ours. This will help ensure the continuation of this hobby that we love so much.

Russ Strohmeyer
WVSR President

Greetings! My name is Kandi Schuff, Gene's better half 😊 I am the new editor for the WVSR Newsletter so please be nice while I learn the ropes.

First off, I would like to send out a big THANK-YOU to Vicki Champ for providing the club with an impressive monthly newsletter for the past 3.5 years. I have always admired Vicki for the numerous volunteer projects she does for the club and in the community and wonder how she keeps up with everything that she does. Now that I've done one newsletter I have even more appreciation for this Dynamo. Let's all thank Vicki for her dedication to the club and for always stepping up to help out wherever needed! Vicki you are amazing!

If you have suggestions, comments or would like to contribute to the newsletter, please call or email me. (503) 522-6784 or KandiSchuff@gmail.com

2021 Christmas Party

The Christmas Party was wonderful! We had 71 members in attendance including Bev Woods, one of our founding members. Not only did we celebrate Christmas, but the party just happened to coincide with our President's 29th Birthday.

Although Bad Santa did not show up this year, we still had a fantastic time and there was certainly no shortage of gift-stealing thieves among the crowd.

We send our appreciation and thanks to Sharon Crauder-Munz & Russ Strohmeyer for their hard work on the Christmas Party.

And special thanks to Don & Donnelle Flammang for greeting & checking-in everyone at the door, and to Glen & Linda Rader who stayed afterwards to help clean up.

CRUISE TO POWERLAND

GUESS THE HOT RODDER CONTEST

Besides having the need for speed Hot Rodders are also known to have a competitive streak. So, I thought it would be fun to add a new monthly contest in the Newsletter. Here is how it works: Each month we will have a childhood picture of one of our members along with 5 quirky questions & answers. Members can participate by sending their guess to KandiSchuff@gmail.com, and those who correctly identify the Hot Rodder will be placed in a drawing at the next Club Meeting. And of course, there will be a prize for the winner!

- 1) **What is your favorite dessert?** *Whip cream on just about anything...*
- 2) **What would be the theme song of your life?** *Life Is A Highway by the Eagles*
- 3) **What talents do you possess that not a lot of people know?** *I can make you lose 10 pounds by the next time I see you*
- 4) **If you could play a scene in a movie, what would it be, and which character would you play?** *I would like to play Maverick in "Top Gun".*
- 5) **What is the funniest thing someone has said to you?** *Wow that was quick and it didn't hurt at all.*

SANTA SPOTTED IN TURNER

Steve Vincent helped Santa spread some Christmas cheer in his beautiful 64 El Camino.
Members Scott and Tracy Shearer helped coordinate the annual Santa visit for their neighborhood in Turner.
The kids (young and old) loved it, despite the weather!

Winter Vehicle Storage Program Oct.15th, 2021 – April 15th, 2022

Dear Friends,

Do you have the age-old problem most collectors have; not enough space for all your cars and motorcycles? Do you need space this winter to work on that special project? Are you hesitating to buy that collector vehicle because of lack of space? Do you wish to take your vehicle off the road in winter weather to protect it?

Well, the Northwest Vintage Car & Motorcycle Museum has your solution for all these problems. We offer secure, dry, and heated storage for one or more of your special vehicles. Free up needed shop or garage space for the winter!

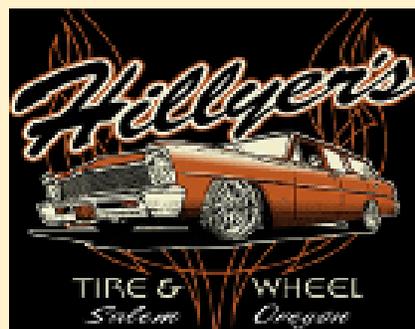

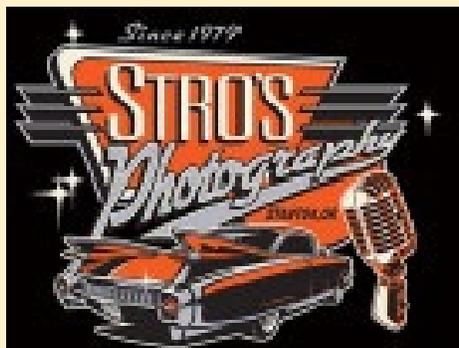

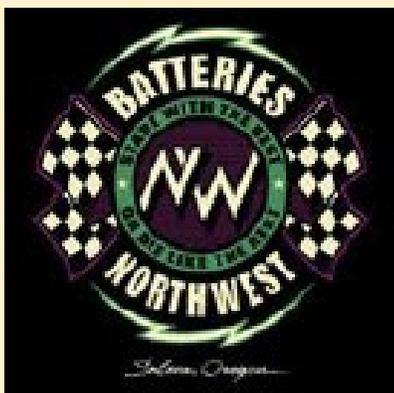

At \$475 per car, and \$100 per motorcycle, from October 15th through April 15th, you will not find a better storage deal for your special vehicle.

Remember this is secure, dry, heated storage that insures the best and safest storage outcome. Plus, you will be making an important contribution to the museum as well. The income from the Winter Storage Program helps to pay our operating costs.
