

## Cruz'n News \* May 2022

**Next General Meeting – Tuesday, May 3, 2022**  
**Pietro's Pizza, 1637 Hawthorne Ave NE in Salem**  
**Dinner & socializing from 5-7pm**  
**Meeting starts at 7pm**

**PRESIDENTS MESSAGE:** Thanks to all who participated in the 93rd annual Cherry Blossom Drive & Poker Run hosted by the Salem Auto Club Council. It was a great day! We sold 186 poker cards, collected \$361 and 257 pounds of food for Marion Polk Foodshare. Thank you to Salem Electric for once again being a sponsor of this fun event. We had a great turnout and good weather for most of the day. Food and cash donations were collected for Marion Polk Foodshare and a portion of the proceeds will go to Boys and Girls Club of Salem. I would also like to thank the following car clubs for manning the poker stops - Capitol City Corvettes, Willamette Valley Street Rods, Rollin Oldies, Silverton Flywheels, Road Lords and the Willamette Valley Corvette Association. A special thank you to Gene Schuff and Sharon Crauder-Munz for attending to the WWSR stop at Willamette Pie Co. The store was gracious enough to give us cards to hand out at registration for a free bakery item. It was so nice to see so many of our club members attend this event. We mixed up the route the last few years and everyone enjoyed the change. We had six stops and went as far as Benedictine Sisters in Mt. Angel. Our last stop was at the NW Vintage Car/Motorcycle Museum, where we toured one of the museums. The weather was threatening most of the day and then the rain came about the time we were wrapping everything up. All in all it was a great day!!!!

**Congratulations** to Jim Wollenweber, 1st place winner (\$100), Judy Jacobsen, 2nd place winner (\$75) and Greg Peters, 3rd place winner (\$50), they all won with a Full House. Jim Walz was the lucky winner of the Battery Tender Junior that was generously donated by Travis and Teresa Sowers of Batteries Northwest. Thanks for being a part of the Poker Drive this year. Special thanks to Salem Electric long time sponsor of this event. Hope to all of the club members in 2023 at our 94th Annual Cherry Blossom Poker Drive...

I'm the current president of SACC, and WWSR club Representative, Vicki Champ is Secretary, our Treasurer is Cece Mosher, with the Obsolete Fleet Chevys. We currently have seventeen clubs in the Council and have been growing strong this past year with new clubs that are just established joining our group. We represent car clubs in the Mid-Willamette valley area. We meet monthly to coordinate and support each others club events. Our next event is the Oktoberfest Car Show in Mt. Angel, September 17 and 18<sup>th</sup>. We hope to see a lot of our members there.

**Russ Strohmeyer**  
**WWSR President**

## POWERLAND—SPEEDSTER STUDENTS 2022

The Willamette Valley Street Rods long standing Scholarship partnership with Chemeketa Community College officially ended in 2021.

A number of meetings have been held with the volunteer members at the Northwest Vintage Car and Motorcycle Museum located out at Powerland Heritage Park. The purpose was to learn more about their long running education program, referred to as the Speedster Program.

The members were asked to identify items that if purchased through a 'Project Scholarship' partnership with WVSR would help advance or improve their Speedster Program. They identified the need to purchase a sand blaster cabinet which would improve work in the shop and expose students to more current shop type tools.

WVSR's has agreed to sponsor the purchase of this item using our \$1,000 project scholarship fund with any reminding funds to be used of shop supplies.

## MEMBER CARE REPORT

*Ann sent out cards to the following:*

Frank Munz	Spine surgery
John Stanton	New heart valve
John & Bev Woods	Miss seeing them
Don & Knikki Oman	Glad they came to meeting
Lyn Rothwell	Bud passing

### Games Person Needed

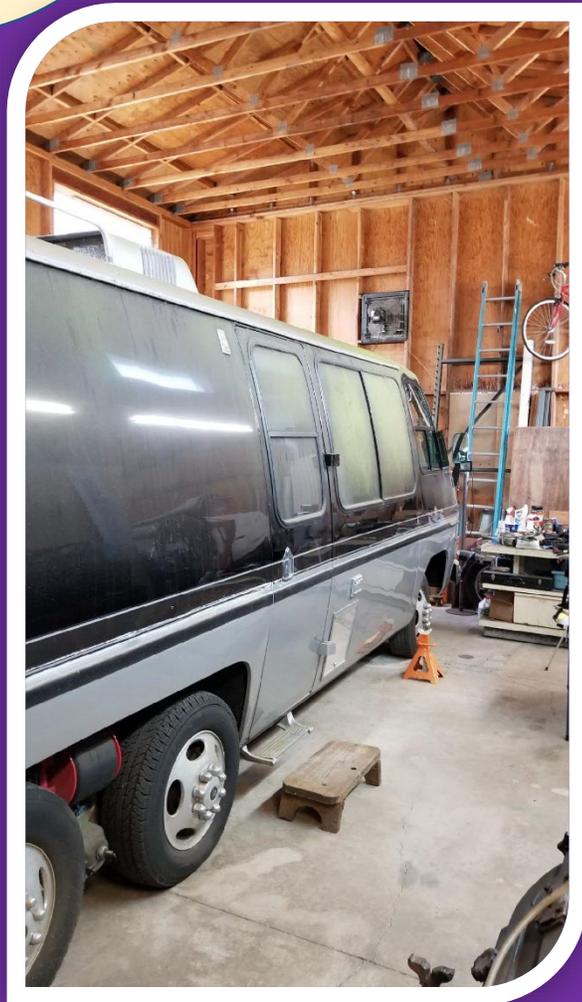

I'm looking for a games person for our event. I have an idea to raise some extra funds but need someone to step-up & help with organizing & running it.

Call Garry if interested! 503.507.533

# SHOP TALK

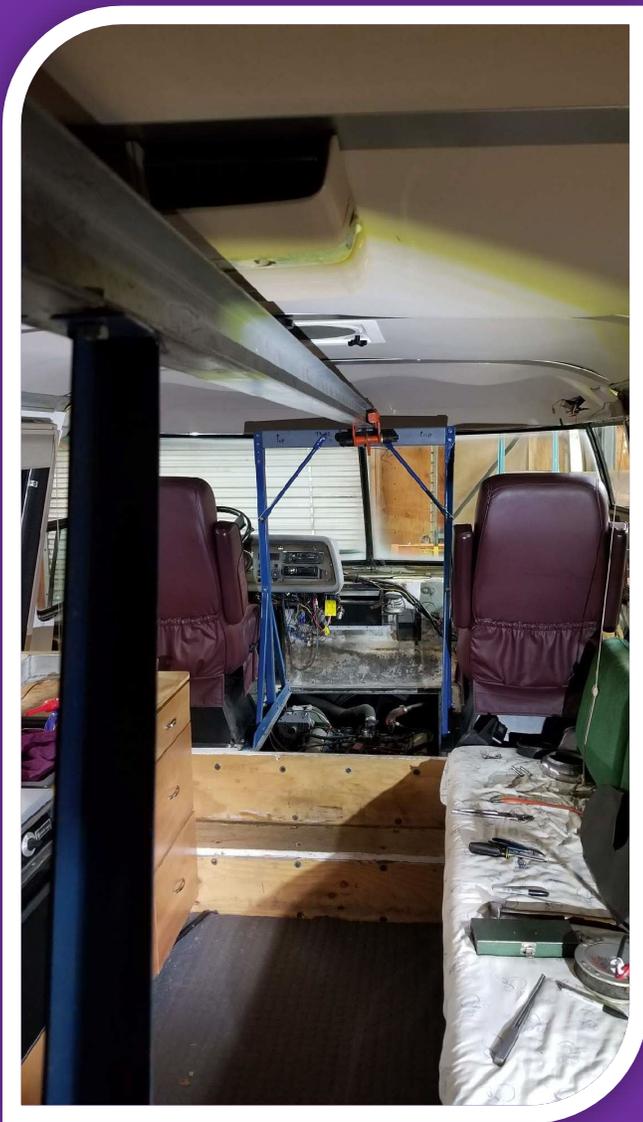

Garry Pullen  
Pulling the  
engine in his  
1972 Suburban

Jim Hupy & Judy Countermin  
are restoring a  
1977 GMC 26' Motorhome

# SHOP TALK

Just received the remanufactured Oldsmobile 455 cu in V8. Coach front end has been damaged by a collision with a deer. After a lengthy search, all the fiberglass parts have been scrounged up to replace those damaged. Modifications include upgraded camshaft and valve train, custom designed headers and modified exhaust system, electronic computer controlled fuel injection, custom modified remote air cleaner, custom dash and gages.

About half finish but the end is in sight.

# SHOP TALK

Dale Moreau sold his '55 Ford Crown Victoria and went more modern with a 2006 Shelby Mustang GT-H

In 1966 Shelby American got together with Ford and Hertz Rent a Car to make a special high-performance vehicle that you could rent at many airport locations. Forty years later they got together again to reprise their original effort. They made 500 of them with special black paint and gold stripping, adding a redesigned hood and side vents. Added to this were chassis mods, engine tune, and a taller rear gear ratio.

This car that I bought from Lulay's in Salem has a very different history than all the others. It was bought back from Hertz and kept for several years at the plant of Shelby American in Las Vegas. Primarily it was used by some staff and by Carroll Shelby and his wife. The factory modified it with a different front fascia that included larger brake vents for cooling and driving lights. They also added wheels from a GT 500.

## MYSTERY HOT RODDER

**What do you miss most about being a kid?** *Playing all day with no responsibilities*

**What's the best/worst gift you've ever given/received?** *Best gift received was a bicycle for my 7<sup>th</sup> birthday. Best gift given was a "71" Vega I painted and gave to my daughter at 16.*

**If you could eliminate one car from having ever been produced, what model would you pick?** *Honda*

**What song could you listen to over and over and not get tired of?** *Shake, Rattle and Roll because I really thought they were singing Shake Marilyn Monroe!*

**What animal would you like to come back as?**  
*A loveable dog*

Chuck Black was the  
April Mystery Hot Rodder  
and after giving out several hints, we  
had lots of correct entries. The winner  
of the drawing was Ann Sowerby.

Since the Newsletter was late this  
month, we will take your guesses until  
May 31st

Mail your guess to Kandi Schuff at  
[KandiSchuff@gmail.com](mailto:KandiSchuff@gmail.com)

If you are interested in being a  
Mystery Hot Rodder please email Kandi  
and she will send you some wild & crazy  
questions.

## JIM & CAROLYN WALZ - HOLY LANDS VACATION 2022

After a 2-year Covid delay and three trip re-schedules, club members Jim and Carolyn Walz, were finally able to take a much-anticipated trip to the Holy Lands. The following is a very brief description of the trip.

We began with a tour of Egypt. We arrived about 10 pm after a 16-hour flight from home. A bus picked us up to deliver us to our hotel which was an adventure. Cairo has 23 million people and it seemed that most of them had a car or motorcycle. What was an approximately 6 lane highway was crowded with 10 to 12 lanes of vehicle traffic. Most but not all had their lights on and most but not all were going the same direction. Somehow our bus driver managed to deliver us to our motel safely.

The next day began with a flight to Luxor to visit the Valley of the Kings where many Pharaohs were buried as well as the Colossus of Memnon. A highlight of Luxor was the Temple of Karnak which is an amazing place. After returning to Cairo, we visited Memphis which is the old capitol of Egypt when Rameses 2 was Pharaoh and then the Egyptian museum.

Sea of Galilee

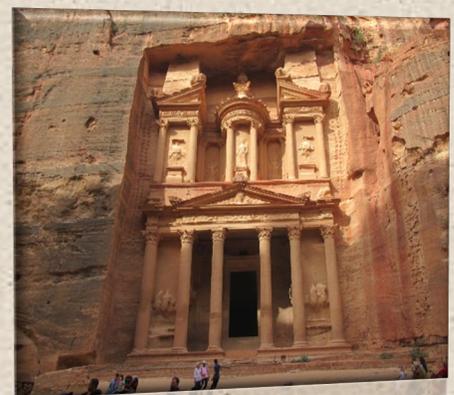

Next was several days in Israel where we spent nights in Tel-Aviv, Tiberius, and Jerusalem. We visited so many significant sites that I will only mention a few of them. Caesarea by the Sea, Megiddo, Nazareth Village, boat ride on the Sea of Galilee, Capernaum, Beth Shean (an ancient city built by Alexander the Great), Masada, Qumran (where the Dead Sea Scrolls were found), The Holocaust Museum, and Garden of Gethsemane. This is only a partial list of the sites visited in Israel.

The last part of our trip was spent in Jordan. The most interesting site that we visited was Petra. Most everyone has seen the 3<sup>rd</sup> Indiana Jones movie which features the Treasury of Petra. We couldn't go inside but from the outside steps I could see that it was an empty room with no trace of Indiana Jones or the Knight guarding the temple. Actually, the Treasury is a tomb and a very small part of Petra. The area covers approximately 3 square miles and would take several days to explore. We only had about 6 hours so we were only able to explore a small portion of the ruins and tombs.

This is our trip in a nutshell, if you would like more information - Carolyn or I would be happy to share our experience with you.

Great Pyramid complex in Cairo, Egypt

Treasury in Petra

## Call for Summer Display Vehicles

The theme for the 2022 NWVCM  
Summer vehicle display is:

### "Vehicles for the Decades"

We are looking for cars & motorcycles spanning each decade from the 1900's through the 1980's such as:  
Performance vehicles; racers, big engines, technology innovation  
Cars & motorcycles with an interesting history or story  
Vehicles that have made an impact on the Northwest  
Vehicles that best represent the decade they were made

We need your help!

Here's your chance to display your vintage or collector vehicle in one of the regions premier museums for the summer.

The fine print:

- Setup for display vehicles will be May 14 through June 1, 2022
- They will be on display from June 4<sup>th</sup> through October 2, 2022
- Vehicle owners will need to provide insurance; our insurance policy does not cover display vehicle not owned by the museum
- Each owner will need to sign a liability release form

If interested please contact: Tom Ruttan
