Message From the President

Our next general club meeting is (Tuesday, October 3) at Pietro's Pizza at 7pm. Arrive as early as 6pm for dinner and socializing. Officers Meeting, Tuesday, October 24,

Garibaldis Restaurant, Salem, 6pm. Come early for dinner.

President's Message– October 2023

We had a fantastic show this year, three hundred fifty cars, counting the club cars. If you're on Facebook you've read so many comments from folks that attended and how they thought it was so well organized. It was

unanimous that everyone was so happy to be back at Riverfront Park on the green grass.

Ms Oregon 2022, Sophia Takla did an outstanding job of singing the National Anthem that morning. We were so honored to have Ms. Oregon 2023, Allison Burke present the awards at the end of the show. She had so much fun getting her picture taken with so many at the show and some of the car owners asked her to sit in their car for pictures. She posted a pretty cool video of our show.

I wasn't able to be at the thank you party on Saturday but I saw pictures and heard there was lots of good dishes there to enjoy. Thank you to Garry and Alicia for making it happen and to the club members that were there and brought food to share.

Be sure to mark your calendars for Saturday, December 2–Santa Cruise at the Stayton Fire Dept. The firemen will have their usual breakfast and we ask everyone to bring a toy for the Toys for Joy program.

It's not too early to get the WVSR Christmas Party/Dinner on your calendar. The date is Saturday, December 9, 6-9pm at Roth's in West Salem. Wendi McNitt and Tina Stone are co-chairing the event and it will be fabulous!!!!!! Thank you to both of them for stepping up to organize the party/dinner.

Watch for details soon....

It's hard to believe that in just a few months we'll be delivering toys, gift cards and clothing to Family Building Blocks for their families. I asked them for a list of things they suggest for their families this year. Below is the list they gave me.

It's not too early to start bringing your gifts/cash/gift cards at the October meeting. Please give everything to Vicki Champ. We'll do the shopping for you if that's easier. If you have any questions please call/text or email me. Vicki , 503.910.5952, email vchamp@comcast.net

As we do every year shortly after our December club meeting we'll load up our hot rods with our gifts and deliver them to their Lancaster Drive location. Afterwards we'll plan on going to the Original Pancake House(unless we decide to go someplace else) this year. This is always such a fun day, the kids love seeing all of the hotrods and even sitting in the few that the club members don't mind if they do.

From Family Building Blocks:

Thank you for providing Hope this Holiday season with a gift to Family Building Blocks for the children and families they partner with in our community. Need some gift ideas of what to shop for?

Winter Vehicle Storage Program **Oct 15th 2023– April 15th 2024**

Dear Friends,

Do you have the age old problem most collectors have; not enough space for all your cars and motorcycles? Do you need space this winter to work on that special project? Are you hesitating to buy that collector vehicle because of lack of

space? Do you wish to take your vehicle off the road in winter weather to protect it?

Well, the Northwest Vintage Car & Motorcycle Museum has your solution for all these problems. We offer secure, dry, and heated storage for one or more of your special vehicles. Free up needed shop or garage space for the winter!

At \$475 per car, and \$100 per motorcycle, from October 15th through April 15th, you will not find a better storage deal for your special vehicle.

Remember this is secure, dry, heated storage that insures the best and safest storage outcome. Plus you will be making an important contribution to the museum as well. The income from the Winter Storage Program helps to pay our operating costs.

"It was a beautiful Willamette Valley day as a group of Willamette Valley Street Rod Club members met up at the Stayton Park and Ride to head out to Mill City Eagles Lodge Car Show. For those of you wanting to support a local community Organization this is the perfect show. The event honors both Veterans and Emergency Responders and the volunteers at the lodge truly make it a special show!"

Covered Bridge/Fall Drive *submitted by: John Stanton*

Sunday, September 10, several WWSR members went on a covered bridge tour. The weather was perfect....low 80's and sunny in the afternoon. The trip was nearly 100 miles. We visited 6 covered bridges, stopped for a picnic lunch at a Linn County park, and wound up at my house for snacks provided by Connie. It was a fun day.

Oktoberfest Car Shows, Mt. Angel

submitted by Bob Repine:

The Salem Auto Club Council held their two shows at the Mt. Angel Oktoberfest. The weather was great, there was a nice variety of vehicles there. On Saturday there were 116 vehicles, Sunday had 78 vehicles. A lot of club members were present and quite a few won awards. These are always a fun show to attend. You can park your hot rod at the show and walk

downtown to the festivities and not worry about your ride.
