## *President's Message*

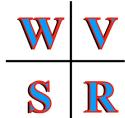

Aloha WVSR members!

At least that's what it looks like as I write this on a beautiful January 18th day! We have definitely had some great sunshine for the start of the winter and I hope everyone has been able to enjoy the warmer afternoons. I could do without the freezing mornings! Things are getting

done, but, at a little slower pace!!

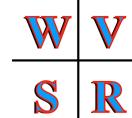

I have had a whirlwind of questions thrown at me as of late. The board and myself will address everything as we can. The first thing I can answer is the quarterly WVSR potluck picnic dates have been set! Janet and Ron Smith got together up at the museum and penciled everything in. There will be a club email coming out shortly so everyone will have the dates. I'm excited to oversee the club over the next year! I encourage any of you to attend the board meetings as well. The way we shape the club for the future takes everyone working together and finding the middle ground that we can all accept. Remember,,, Were here to have fun! We will be planning some tours of the members shops toward middle of February, rain or shine! Info will be coming soon as well.

Again, I want to extend a huge thank you to all the new and remaining board members, along with all the committee heads . Thank You. None of this would be happening if wasn't for all of you stepping up to help the club. Looking forward to seeing everyone at the February meeting. —Tony

Lot's of good stuff on hand for the opening of the '26 car show and swap meet year. Things always get off the a good start in Albany at the Winter Rod & Speed Show.

There was a little more emphasis on car show than swap meet this year, but still plenty of gorgeous custom builds in the main building at Linn County Expo, and plenty of shiny stuff at the swap meet to put a dent in your wallet.

Best of all - good crowds. A few pics from the show....

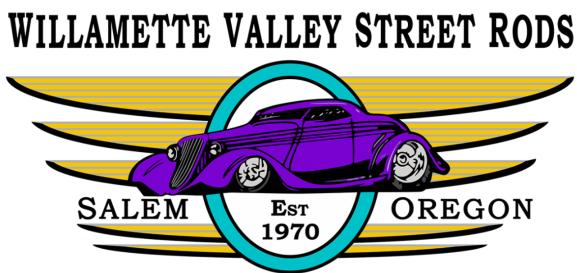

## Speedster Windows Update.....

*Message from Tony....*

The Speedster Shop windows have arrived!

WVSR annually donates \$1000 to the speedster program. Last year it was approved the money could be used for much needed building maintenance. Our windows wouldn't open and the framework has rotted away. A huge Thank You to all our members who help raise the money we can donate to help the cause! The students have been working hard and we have been able to sell two cars to continue to raise funds to have the siding replaced at the same time as the windows. We are almost there! I would invite any members to stop by on Thursdays and see what these kids are all about, our future... Thank you WVSR.

## An Appreciation

### Russ Strohmeyer

Now, that's a cool trophy. Tony kicked off the first club meeting of the new year with a trophy presentation for Russ. Russ has guided the club for the past 15 years.

Trophy inscription reads "Willamette Valley Street Rods thanks you for presiding over the club for 15 years."

## Club Picnic/Potlucks Coming Soon

### *Save the dates!....*

March 7.....12 noon to 3 p.m.  
June 6.....12 noon to 3 p.m.  
September 5.....12 noon to 3 p.m.  
December 12..... 12 noon to 5 p.m.  
(Christmas Party)

A series of club picnic/potlucks were approved by the members at the January members' meeting.

President Tony Darcy brought up the idea of spending the U.S. Crane & Hoist \$2,000 sponsorship of WVSR for the 3 picnic/potlucks and Christmas Party. The quarterly raffle drawings for \$500 were dropped.

WVSR will provide the main course and beverages.

Members should bring a side dish or dessert, and their own utensils.

The get togethers happen on the above dates at the Northwest Antique Automobile and Motorcycle Museum at Antique Powerland, Brooks.

"Rat Rods, Lowriders, Modern Muscle, Trucks lowered, lifted or mini's. Traditional Rods, and anything that the imagination can build. The crowds in this hall say it all. People want to see things that they drive, that they can build, and they can afford."

**2026 Yellow Book is now available.**

Most our members pick up the car and swap events bible through car clubs or at swap meets. (However, it wasn't for sale in Albany this year. I looked for it).

The calendar can be ordered thru snail mail or on-line. The [Yellow Book website](#) has the info to do that. This year the book cost is \$6.

Longtime WVSR member Donald Clark Rogers passed on January 4, 2026. Don was 94 years old.

Don was an avid car collector, and extremely fond of Corvettes. However, Don's collection of classics ran to trucks, 'Vetts, custom cars and, at one time, the car once owned by bank robber "Pretty Boy Floyd."

In early 2019, Don and Lizabeth hosted a tour of his new shop and classic car collection for WVSR. Don's career was based in Hollywood. Don won an Oscar for his work as a motion picture sound specialist. An in-depth article about Don appeared in the February, 2019 edition of the Statesman-Journal. The article is still available on the S-J website, but it is behind a pay wall.

Rest in Peace, Don. You will be missed.
