### Gentle Thought for Today

There's always a lot to be thankful for if you take time to look for it. For example I am sitting here thinking how nice it is that wrinkles don't hurt.

# Hot Rod Happen'ns

What a great turnout for the Winter Rod & Speed Show. With 108 cars (14 from our club) and over 2200 people it just gets better every year. A good time was had at the Cartwright's for our sock hop with the Chevy club. Thank you Russ for the great tunes and thank you Warren & Judy for the smooth dance lessons. We all had some birthday cake as Nick Hoosier turned the big 60. Thank you Dave & Sherri for a great time. Just want to pass along some information of a new paint shop. Jeff Lewis Auto Body & Paint. They do everything from paint stripping to hard blasting. 1150 Candlewood Dr NE Keizer. 503-390-7867. ### WWSR 2010 Car Show & Event Calendar

Have you enjoyed the calendar for last year informing you of all the great car shows and other events going on? Ever wonder where these come from? Didn't see a favorite of yours that you think other club members might enjoy? Well last year with the help of our social chairman Greg Smith, I put together the list. Then as the year went on, I added events that other club members told me about. Here's a subtle hint to the second question :-)) the way to get your favorite event on the calendar is to get the info to Greg or I and we will gladly include it.

### WVSR / OFC Sock Hop

Wow, the turn out for Dave and Sherri's Shop/sock hop was fantastic. I think I counted about 60 people. There had to be at least 12 of the Obsolete Fleet Chevy club there also. The potluck turned out to be the main hit of the night. So many different things to eat, most of it was low cal, so I had to stay away from it. I don't think anyone went away hungry. I'm still seeing spots and flashes from the disco ball twirling and the flashes from Pam's camera. The mini car races and betting was going on at the make shift table, over Dave's car lift, until Dave hit the air and raised the stakes. The first half of the party the OFC seemed to stay on their side of the net this time. But after the beer started to take effect I think they were getting more comfortable with both sides. Russ had to play competition with the conversations so he just kept on cranking up the tunes. Really wasn't fair. Warren and Judy got the dancing competition start off by giving a few brief lessons to the OFC on the East Coast swing...didn't want to show them too much and take a chance of them beating us. The dancing started and almost everyone had joined in with the step'n and swing'n but one by one the OFC dropped out, sat down, and finally conceded. If I remember right, Cece was the last one out for the OFC and we almost had to push her over to get her to stop, what a fighter! I heard some of the OFC members are going to take advantage of Warren's offer to teach them at the Wednesday night lessons. It looks like we're going to have to find another form of competition. The club members that didn't make the party missed out, it was really fun, and I can't wait to see what comes up for the next OFC vs. WVSR competition.
