The room will hold 100 people; don't delay in signing up and paying. Dinner needs to be paid ahead of time. The sign up sheet will be at the next meeting. Don't forget to bring your money or checkbook to pay at the January 3rd meeting. If you aren't able to make the meeting, call Vicki Champ/503.910.5952 for reservations.

The dinner count needs to be called in Tuesday, February 7, 2012 at 9am. If you wait till the meeting that night to sign up the only dinner choice will probably be chicken cordon bleu.

I had a great time at the Albany Winter Rod and Speed Show, saw many of you there. The Rollin Oldies took club participation this time. Great job Rich and Jim. Thanks to all from our club that participated.

Thanks to Bruce and Carole Reynolds for the shop tour this month. Bruce is a pro machinist and can make just about anything out of metal or wood. On display were their 57 Ranchero and 41 Ford tudor. Also many handmade custom parts and projects like gun parts, Sterling engines, and other stuff. He has a super immaculate machine shop room that is to die for. Great job Bruce & Carole.

Upcoming Events:

Dancing With The Cars Feb 8, 22.

Vines Visit Barrett-Jackson

Marcia and I just returned from attending the Barrett-Jackson auction in Scottsdale. It was nice to get a little sun and walk through 40 acres of classic cars. Although we saw many exotic and fine classic cars, we were surprised to see quite a number of ordinary "drivers" that were to be auctioned off the first day or two. Marcia admired a truck that was on the cover of a recent issue of Street

Rodder.

Along the way we came upon a used car lot with some real "classic" metal but no one was around to let us take a test drive.

Bruce & Carol Reynolds Shop Tour

On what started out as a dry Saturday morning, about 25 WVSR club members met January 21st at Elmer's on Market St NE in Salem for breakfast and then caravanned out to Bruce and Carol Reynolds' shop northeast of Salem for a tour. As I heard Charley say, it is amazing what you will find out about another club member when you visit their shop. Bruce is quite a machinist and appears to enjoy making miniature working machines such as a steam engines and stirling engines. If you missed this shop tour, you missed a doozy!
