Hot Rod Happen'ns

Once again we had a good turn out for the SantaCruise. For those who didn't get the numbers, they had 242 cars, sold 714 breakfasts and raised over \$5,000 for charity. Russ and Margie reported that cars came from as far away as Eugene to Olympia WA and that this was the 10th year they organized the event for the Stayton Fire Dept. with the help of all of their friends. And what a great turnout for our WWSR Christmas dinner - I'm sure everyone had a good time. Up coming things for January are: The 15th is the Rod and Speed show in Albany and on the 22nd we'll have a social get together with some of the Obsolete Fleet Chevy club at Dave and Sherri Cartwright's. Their address is 2322 Mousebird Ave NW Salem, OR 97304. This will be in Dave's shop starting at 6:30pm. We also have another shop tour

coming up Feb 5th at Bob and Jeanetta Lewis, 10443 Brick Rd SE Turner, OR 97392. We'll meet for breakfast at 9:00am at Schraders Guest House, and head out about 10:00 and check out Bob's shop. Then of course the Salem Roadster show on Feb. 12 and 13th. People up to 17 get in for free and on Sunday the ladies get in free. I hope everyone had a great Christmas and a safe New Year. Greg

WWSR 2010 Car Show & Event Calendar

Have you enjoyed the calendar for last year informing you of all the great car shows and other events going on? Ever wonder where these came from? Didn't see a favorite of yours that you think other club members might enjoy? Well last year with the help of our social chairman Greg Smith, I put together the list. Then as the year went on, I added events that other club members told me about. Here's a subtle hint to the second question ;-) the way to get your favorite event on the calendar is to get the info to Greg or I and we will gladly include it.

WVSR & Obsolete Fleet Chevy Sock Hop

January 22nd at 6:30pm

Remember about a year ago when the Obsolete Fleet Chevy's challenged us to an evening of volleyball? Well the club has decided to reciprocate by holding a sock hop and inviting the Obsolete Fleet Chevy's. It will be held on Saturday, January 22nd starting at 6:30pm at Dave and Sherri Cartwright's shop. Their address is 2322 Mousebird Ave NW in West Salem and their phone number is 503-881-1922. Coffee will

be provided but everyone is asked to bring a snack or dessert to share, folding chairs, and your own drinks. I don't know about you but I'm really looking forward to this because sock hops played a major role in my high school days. In fact my first date with Joanne was to a Christmas sock hop at my high school. It'll be fun to re-live some of those good old days and enjoy an evening of comraderie with another club.

WVSR Makes Annual Donation

I woke up to a rainy Monday with the thinking they could have picked a better day to deliver the toys and donation check to Family Building Blocks. I decided to drive my daily driver and leave the 52 at home. I sure felt like a 'whoos' when Warren showed up in his T bucket wearing a rain jacket. Ken and Vicki showed up bringing the sunshine and a truck full of toys and gifts the club had collected. Quite a few club members showed up with their street rods for the short parade through the parking lot and watchers to FBB. The FBB teachers brought the little kids out to see the cars and gifts. WOW, talk about make the day!!! These kids had smiles from ear to ear when they got to sit in Warren's T. Sue Miller, the Director of FBB, accepted the WVSR

donation check from Warren. We all carried the presents into the building and warmed up a little. Talk about Big kids, Tom had to get his picture taken with Santa on the way out. Afterwards several of the members went over to 5 Guys for burgers. It was a fun day and real obvious that the WVSR club had brought a lot of smiles and Christmas to Family Building Blocks.
