

May 2020 Lake Cumberland Emmaus and Chrysalis Community Newsletter

Dear Emmaus & Chrysalis Community,

I hope that everyone is doing well. We sure miss seeing everyone! We are praying that this situation will be over with quickly. In the meantime, we must all find new ways to show our love for God and for each other.

Most important thing is to support your local church in whatever manner you can attend. Continue to pray for one another and our leaders of our country, state, and local leadership. I pray that you have used this time wisely to draw closer to the Lord through His Word, prayer and fasting.

This road that we are on may seem lonely at times but, always remember God is with us.

Joshua 1:9 "Have not I command thee? Be strong and of good courage; be not afraid, neither be thou dismayed: for the Lord thy God is with thee whithersoever thou goest."

There will be no May gathering, let us continue to pray for the fall walks. Always remember "It gets better!" May God bless you and your family!

DeColores,

James Gregory 

Did You Know?

- Preparations for a June Gathering are being made. More information will follow in the weeks ahead. This will all hinge on CDC guidelines.
- September walks are still being planned. This will also hinge on CDC guidelines. We will share information with the community as soon as it becomes available to us.
- We will have new T-shirt designs to offer. See attached photos of the shirts. Shirt prices for the new Decolore's shirt will be \$15, All other community shirts are \$10 for the short sleeved.
- Chrysalis is also excited to offer a new design for their shirts as well. As you can see creativity has evolved from this time of stillness.
- As of right now things are uncertain for Camp Mt. View. Summer camps may not be allowed to take place for youth this year. This is not definite yet. We ask that you lift this great need up in prayer. So many lives are changed on that mountain during summer youth camps. If the devil can steal the hearts and mind of the young, then he has secured his future and theirs. Please we beg of you to earnestly pray. Prayer is a mighty weapon.
- With the possible cancellation of some if not all camps come a financial hardship for the camp that we all know and love. If you would like to help by sending in a donation in any amount. No amount is too small, then you may do so to the address below.
