

June 2020 Lake Cumberland Emmaus and Chrysalis Community Newsletter

Dear Emmaus & Chrysalis Community,

Hello, my brothers and sisters in Christ. Can you believe that half of 2020 is behind us? This year has been a very challenging year for everyone. It is amazing how this world has changed overnight. There are so many things we took for granted before. I hope and pray that each of us has taken this time to draw closer to the Lord.

I would say no one foreseen how this virus would affect us like it has but God did. I encourage each to keep a strong faith in God. Jeremiah 29:11 says, “For I know the thoughts that I think toward you, saith the Lord, thoughts of peace, and not of evil, to give you an unexpected end.”

We look forward to seeing you at the June gathering. There will be no meal, we will begin service at 6pm EST at the Steubenville Baptist Church in Monticello, KY.

Please be in much prayer for our community, local churches, nations, and all leaders. We will keep the community informed as we move forward in the months to come. As always, we know that God is in control of all things. “I am with you even unto the end of the world. Amen.” Matthew 28:20

May God bless you and your family!
DeColores,

James Gregory 

Did You Know?

- We will not be having a meal at the gathering due to the risk of spreading germs. We will have communion that is pre-packaged. If you are more comfortable wearing a mask, we encourage you to do so, but it is not required. If you have been sick within the last 24 hours, have a fever or been in contact with someone that has COVID-19, we ask that you do not attend. Also, please do not allow anyone to attend with you that has been sick in the last 24 hours or been around someone that has been tested positive for the virus.
- September walks/flights will be discussed at the upcoming board meeting. We will make an announcement regarding the walks and flights after we meet. Keep in mind the walks/flights will hinge on the CDC guidelines. Please be in prayer for our country as a whole as well as our Emmaus Community.
- Please keep Mark Shelton and Camp Mt. View in your prayers. This pandemic has resulted in uncertain times for the camp. All summer camps have been cancelled due to regulations by the CDC. This means that all those youth who usually attend will not be able to do so this summer. Lives get changed on that mountain and we all know that. Mark always looks forward to camps and enjoys spending time with Gods people. If your able to help out with any repair work contact Mark. He just might could use a helping hand as well as the company. To all of you who have already been doing that, thank you! The cancellations also puts a financial hardship upon the camp. If at any time you wish to donate you are encouraged to do so. Every little bit helps.
