

January 2021 Lake Cumberland Emmaus and Chrysalis Community Newsletter

Dear Emmaus & Chrysalis Community,

I hope that all is well, all is healthy, and I hope that the new year is treating you well! I am looking forward to what God has in store for this new year.

We would like to thank Melson Ridge for hosting our December gathering and Bro. James Miles for the 4th day talk. It was truly a blessing and we would like to thank everyone who attended. It was good to fellowship in the Lord.

At this time, be in much prayer for the flights and walks. The board is working together on safe measures for the walks if camp Mt. View opens back up. We are in an uncertain time and only God knows what the future holds. Preparation and prayer are very important, so please be in prayer!

As many of you know, we no longer using the one call service. Updates will be posted to the webpage and Facebook.

We would also like to thank Greg and Genetta Kinney for all the years that they have served our Emmaus community. We would like to welcome Kayla Glover for being led by God to take the registrar position.

Like Paul says in 1 Corinthians 1:4 "I thank my God on your behalf for the grace of God which is given you by Jesus Christ"

Declares,

James Gregory
