

MAY 2021 Lake Cumberland Emmaus and Chrysalis Community Newsletter

Hello Emmaus & Chrysalis Community,

As another school year ends and a new summer begins, it is worth the thought of what we might need to do to be preparing for in this season of our walk with the Lord. Just as young adults graduate from school and college, preparing for new careers or new starts at college, we too as Christians need to be in preparation as the season changes.

For me and my family, each season on the farm we must be in preparation whether it may be planting, sowing, or harvesting. We must prepare to accomplish all the work that needs to be done. Let us put some thought into how we will use our summer to maximize the glory that we can bring to God. I encourage our community to get in a bible study group, help with local missions, be part of vacation bible school, and help your neighbors. There is so much we can do in each new season that we missed out in last season. If we are still living and breathing, God has given us this new season for a purpose. Find that purpose and allow God to use you to be the hands and feet. Be the change you wish to see in the world.

--For everything there is a season, and a time for every matter under heaven.

I would like to extend our thankfulness to Trinity Christian Outreach for hosting us this month. This was our first time being with them and they did an outstanding job hosting. Such a sweet presence of the Lord and a true blessing at the end with the little children blessing us with song. Nothing is purer in this world than a small child taking part in the Lord's work.

Thanks to Billy Mckinnely for bringing the 4th day talk. He did an outstanding job giving his 2 cents. If you weren't there, you won't get this but for the ones who were there, you will know what I am talking about. Many of us will use those 2 cents to continue to strike up a conversation with someone about the Lord.

Our next gathering will be June 12th at Beacon Hill in Somerset, KY. The board meeting will begin at 4:30EST, with meal at 6 and service to follow. We would love for you to come out and be part of the service. We miss you.

May God Bless You All!

DeColores,

James Gregory  🐓
