Lake Cumberland Emmaus & Chrysalis Community

Message From Community Lay Director

JULIE STOCKTON

Happy LOVE Month!

I'd like to start out by giving credit where credit is due. James Gregory, THANK YOU!!! Thank you for all you've done for this community during your time as CLD. Thank you for gently leading me into this new position while encouraging me and offering to lend a hand when I need it. Our community has been blessed by your leadership.

As your new CLD, I wanted to share a little bit about who I am and what Emmaus/Chrysalis means to me. I became involved in the community all the way back in 1994. I had big hair, big glasses and a big empty hole in my heart that needed to be filled by the One Who created me. A high school friend sponsored me to attend Chrysalis #6 and God miraculously changed my life and I have never been the same! I continued to be involved throughout high school and into college. Then things in my life got interesting. I was at a crossroads and had to surrender MY will to HIS will for my life. Little did I know there was a young man attending Men's Walk # 45 who was doing the exact same thing. His prayer was, "Lord, I'd rather be single for the rest of my life than to be in a relationship that hinders my relationship with You." Four months later I walked in late to a team meeting for a Women's Walk and became the answer to Tim's prayer. (Woo-hoo) I always joke Tim and say he heard music and saw unicorns dancing in the sky when I walked in, but that's not the way he remembers it. In all seriousness God answered our prayers in the sweetest and most beautiful way and He used Emmaus to do it. We met August 3rd, were engaged September 20th then married December 16th, 2000. That's GOD! You can see why the Emmaus/Chrysalis Community is so special to us. Now we have 6 children who are growing to love it just as much as we do. By the end of this year 3 of them will have attended/worked Chrysalis. I say all that to remind you to stay involved. It is one of the best things you can do! I want you to know that I have been and will continue to pray for wisdom and guidance in leading this community in the coming year.
